

Uninsured Patient Fee Schedule

Mid America Clinical Laboratories offers discounted laboratory fees for uninsured patients at our Patient Care Centers (PCCs). As part of this offering, we have implemented a policy for payment at the time of service. Any remaining balance from a reflex test will be billed directly to the patient.

We will accept personal checks, money orders, Visa, MasterCard or American Express. For the safety of everyone, cash will not be accepted.

Lab tests collected at our PCCs are eligible for the discounted prices. It will be the responsibility of the patient to bring any in-office collected specimens to our PCCs for processing and payment.
